

Challenged Athletes Foundation (CAF) and Össur would like to take this opportunity to recognize your outstanding commitment to support individuals with physical disabilities and limb difference in their pursuit of an active life through sports and physical activity.

While we are proud to work together to offer industry leading sports prosthetic solutions from Össur, we realize that your generous donation of time, materials, expertise, and care are essential to helping your patients realize a more active lifestyle. Your contribution to the health and wellness of your patient is a life-changing gift whose value cannot be understated.

You - every clinic, prosthetist, technician, and office staff member - play a vital role in the fulfillment of the grants and we appreciate your dedication to making each one a reality for your patient.

With Sincere Appreciation,

CAF & Össur
